

DOES
"Domestic abuse ~~doesn't~~
happen to men"

Domestic abuse happens to men too!

in 6 victims of domestic violence are male.

If you're a man in an abusive relationship, please know you're not alone!

Domestic abuse can happen to men from all cultures and walks of life, regardless of age, occupation or sexual orientation.

it's important to know that all victims have the same rights to protection and support. Domestic abuse isn't sweet, and we're here to help you.

For help and support scan the QR code or call Wakefield District Domestic Abuse Service on: 08009151561
