

We were very quiet last term but, in the background, we have been busy planning events for the remainder of the school year. We are especially excited to introduce some new fundraising events this year. Our aim is to bring our school community together through fun events and activities, while raising valuable funds to support our children. More details of planned events will follow in future letters.

Last week saw the Bags2School collection. Thank you to everyone who made the effort to fill their bags, therefore helping us raise funds for the school.

Please keep this newsletter to hand as it has all the key dates that you will need.

Many thanks,
Your FOBS Volunteers
