CARE – Prepare – Believe

'I can do all things through Him who strengthens me.'

6th October, 2026

Dear Parents and Carers,

Once again, thank you to everyone who attended our Harvest Festival last week and for your very generous donations for Friends of the Community, Upton. Later this week, some of our Year 6 School Council children will be taking the donations to the foodbank so they understand more about the work that's done there.

Risk & Resilience Parent Educational Hub – I'd like to take the opportunity to remind parents and carers about the new Parent Education Hub, available on the Risk & Resilience website.

Here parents and carers can explore useful health information and practical guidance for babies from birth, up to young people aged 19 years, including:

- Tips for starting conversations with children and young people
- Health and wellbeing advice and strategies
- Suggestions of activities that can increase a child or young person's confidence and resilience
- Helpful guidance, resources, and signposting to support services (locally and nationally)

Parents and carers can access the hub by visiting www.riskandresilience.org.uk and clicking on the 'Parents' tab at the top of the homepage to register.

School Calendar – All dates for the academic year are now available on the calendar on the school website for performances, parents' events etc. These can be found under, 'News and Events'. Unfortunately, our new website does not give the option to sync the school calendar with your calendar like the previous website did. We have contacted the website provider and requested this function, but currently this is not something which they offer.

Christmas Fayre – Saturday, 28th November. The Christmas Fayre is back again this year. It is a great chance to buy some stocking fillers and Christmas presents. Further details will follow nearer the time.

If anyone is interested in having a table at the Christmas Fayre, please email fobs@badsworthceschool.co.uk by **Friday, 30th October.**

Parking- I am increasingly concerned about the number of parents who, at morning drop off, still do so on the yellow lines at the top of school. These lines are there for the safety of all children and the school community at this busy time of day. There has recently been an incident where a parent has been hit by a car and we do worry that one day, this could be a child. Please can I ask, once again, that parents and carers park and drive safely at drop off and pick up.
