

<p>Message from Class Teacher We made it! Final stretch...and what a busy one it is going to be! This Half term we will continue to develop our science investigation skills with a Particular focus on living things and their habitats. In History we will be learning all about the Ancient Greeks and the influence they have had on society today, art and design. We will develop our video editing skills. We really do all need to focus on our multiplication tables and spellings!</p>	 BADSWORTH CofE School	<p>Attendance 96% Not a bad effort team - Well done! General Message: Attendance below 96% is believed to negatively impact long term on education; we must be at school in order to achieve our potential. P.E kit – Please ensure PE kits are in school on a Monday. We will work outside occasionally where it is useful to have in school – not just for PE.</p>
